

Where can I find quick or detailed help, guidelines, etc.?

Basic information, guidelines and further links in an overview

[Data Communication with Daimler AG | Daimler Supplier Portal](#)

All current guidelines of Mercedes-Benz AG are here:

[Trefferliste \(daimler.com\)](#)

Particularly important: Chapters 4, 6, 7 and for new suppliers chapter 1

EDI Manual

The relevant documents can be downloaded **here**.

Detailed assistance for working with the modules of the IBL Platform can be found here:

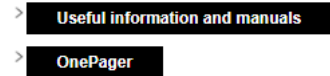

[Useful information and manuals | Daimler Supplier Portal](#)

Quick help, tips and tricks for working with IBL

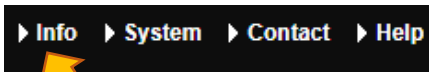

[OnePager | Daimler Supplier Portal](#)

Note: Videos that explain how to work with the different IBL modules are also available. These videos are only in German. Please go to the German site to watch the videos

[Videos | Daimler Supplier Portal](#)

And so you can find quick help directly in the IBL

Clicking on the **info** link takes you to the info area:

There, in the available applications within the areas can

- One Pagers
- Quick start guides
- Others

be searched for news.

In any function, the user can access **the online help** by clicking on the **help** link at the top right of the view area.

In the D301 function, a description is available for each field.

In the event of an error, with a corresponding error message

- In addition to the online help, the information area is an **information platform** for topics from all IBL applications.
