

## Where can I find the original EDI file?

In the function **D301 - Search shipment data**, the data on shipments of the last 30 days can be displayed.

> DQM > Consignments > Search consignment data (D301)

Date From:  23 To:  23

Time From:  To:

No restrictions

Category

Extended search

Clicking on the **Advanced Search** will display more columns.

In the **Attachment** column, the original file of the selected dial-up transmissions can be displayed by selecting the icon

EDICS number	Attachment
0220706081054x	
0220706080939x	
0220706081348x	
0220706082656x	
0220706082709x	
0220706081349x	

- Further information can be found in the EDI manual and in the VDA 4913 recommendation.
