## Packaging data sheet according to VDA4931

The EDI dispatch of packaging data sheets according to VDA4931 is not supported.

Packaging data sheets can be viewed and downloaded via the eCon (electronic Container Management) Internet application only.

The eCon application can be found in the supplier portal after logging on at <https://supplier.mercedes-benz.com> under "Your Applications".

Please consult the Process Manual [Container Management Europe](#) for more details.

You can access the process manual in eCon in the "Home" menu, under "Information"/"Process Manual Container Management".
