# How do I verify my e-mail address?

For Users with exactly one Supplier Account

- When you log on to the Supplier Portal, you will be redirected to the verification page. On that page you will see the e-mail address that is currently linked to your Supplier Account.
- Check if the e-mail address is correct and change it if needed.
- By clicking on "Verify E-Mail Address" you confirm that your e-mail address is correct and you automatically start the verification process.

- A confirmation page will be displayed.

- You will receive an e-mail from Daimler to the e-mail address you just verified. This e-mail contains a verification link that you must click within 14 days after receipt of the e-mail in order to finish the verification process.

- A confirmation page will inform you of the successful verification.

DAIMLER

Email verification

Verification successful

The email address USER02@testcenter.gems.daimler.de has been successfully verified.
You can now log into your desired application.
