## 2 GS contact persons I030

With the function **GS contact persons (I030)** the responsible area freight forwarder is displayed after entering the supplier number or the place of dispatch (country and postal code). This function is available to all suppliers.

The screenshot shows the 'GS contact persons (I030)' search interface. At the top, there is a navigation bar with a home icon, the text 'IBL', and the page title 'GS contact persons (I030)'. The date and time '30.08.2023 13:03:46' and a user profile icon are also visible. Below the navigation bar, there is a search bar with a 'Search' button (4) and a magnifying glass icon (5). The main content area is divided into sections: 'Info', 'Search', and 'Results'. The 'Info' section contains instructions: 'Please enter your supplier number of the shipping location here. You will then receive the responsible regional freight forwarder. Attention: This only applies to suppliers with a purchase incoterm FCA!'. The 'Search' section has a 'Plant for incoming goods' (1) dropdown menu with 'Alle Werke der Mercedes-Benz AG' selected. Below it, there are input fields for 'Supplier number\*' (2), 'Country' (3) with a dropdown menu showing 'Deutschland', and 'and postcode' (3). The 'Results' section is currently empty.
